# freshman engineering 

## Preparing for Final Exams

| Subject \#1 |  |  |  | Subject \#2 | Subject \#3 | Subject \#4 |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- |
| Subject \#5 | Subject \#6 |  |  |  |  |  |
|  |  |  |  |  |  |  |
| How many credits is this <br> subject? |  |  |  |  |  |  |
| How many hours (on aver- <br> age) do you spend studying <br> this subject per week? |  |  |  |  |  |  |
| What is your current grade in <br> this course? |  |  |  |  |  |  |
| Is this subject difficult for <br> you? (Yes/No) |  |  |  |  |  |  |
| Are you satisfied with your <br> current grade? (Yes/No) |  |  |  |  |  |  |
| What percentage of the final <br> grade is the exam? |  |  |  |  |  |  |
| When is this exam? |  |  |  |  |  |  |
| Does this exam occur 1st, <br> 2nd, 3rd...? |  |  |  |  |  |  |
| How many hours would you <br> like to spend preparing for <br> this exam? |  |  |  |  |  |  |

## Questions for discussion:

- What exams will you need to focus the most energy on? Where you can afford to take that time from?
- What different ways will you need to study for each exam (tutoring, group study, office hours)?
- How far out do you think you need to begin studying for exams?
