

Bioengineering Course Approval Form

Student Name _____ Student ID# _____ (People Soft ID) _____

Year: _____ Term: _____

Catalogue (Course) Number	Class (CRN Number)	Course Title	Credits	Days/Times

Total credits taken this semester _____

If you are a PhD student, please indicate here how many credits of 3997 and 3999 you have taken thus far in your career, not including this upcoming semester:

3997: _____

3999: _____

***BIOENG 3999 cannot be registered for until the proposal is passed.**

Note to student: Please complete this form and submit to your academic advisor for approval/signature. Submission of this form can be electronic (email preferred), or printed once filled out. To save this form once completed, you need Adobe Acrobat pro or some other software capable of saving completed PDF forms. Unless otherwise approved by the Department, full-time Research MS students should register for BIOENG 2999 each semester to bring their total credits to 15. Full-time PhD students should register for either BIOENG 3997 (pre-proposal) or 3999 (post-proposal) each semester to bring their total credits to 15.

Note to academic advisor: This form can be signed electronically (preferred) and emailed to Nick Mance (ngm8@pitt.edu) or printed and hand delivered, scanned and emailed or faxed to 412-383-8788. For the electronic signature in Acrobat, if prompted for a signature type, select "self signed digital ID for use with Acrobat".

By signing this form, I approve of the courses the above named student plans to register for.

Advisor's Signature: _____
