

***The John C. Mascaro Faculty Programs in Sustainability***

**Application Deadline: Friday, February 24, 2023**

**Awardees Announced: April 14, 2023**

**Funds Distributed: May-June 2023**

**Reports Due: May 2024**

The Mascaro Center for Sustainable Innovation (MCSI) is pleased to announce our John C. Mascaro Faculty Programs in Sustainability. All Faculty are eligible to apply for Faculty Fellowships, Scholarships and or Lectureships in Sustainability. The John C. Mascaro Faculty program is designed to enhance the university's mission of interdisciplinary excellence in sustainability research and education. Faculty members from ALL disciplines across ALL campuses of the University of Pittsburgh are encouraged to apply.

Each award will be one year in duration. John C. Mascaro Fellowships and Scholarships awardees are eligible to apply for an additional support the following year. All Faculty in the John C. Mascaro programs are invited to think creatively about contributing to the Sustainability mission of the Mascaro Center.

**John C. Mascaro Faculty Fellowships (\$15,000):**

John C. Mascaro Faculty Fellowships provide support for faculty seeking to broaden sustainability at the **University level (across schools and disciplines) and or in partnership with significant external stakeholders**. Faculty interested in the fellowship should demonstrate how their proposal will support or expand university-wide *sustainability education* programs and or catalyze growth in the University's *sustainability research* portfolio.

**John C. Mascaro Faculty Scholarships (\$10,000):**

John C. Mascaro Faculty Scholarships provide support for faculty seeking to broaden sustainability education and or research at the **Pitt college/school level or into their discipline**. Faculty interested in the Scholarship level should demonstrate how their proposal will support *interdisciplinary sustainability education* programs in a Pitt school/college and or catalyze growth in *sustainability research* in their school and or field.

**John C. Mascaro Faculty Lectureships (up to \$5,000):**

John C. Mascaro Faculty Lectureships provide support for Faculty looking to incorporate Sustainability into a **Class or program** or jumpstart a new initiative. Faculty interested in the Lectureship level should demonstrate how their proposal will engage students in sustainability.

---

**Examples of successful initiatives have included but are not limited to:**

- Partnerships between schools to provide unique experiences for students and Faculty
- Building external partnerships with industry, gov't, NGOs to take on Sustainability Challenges
- Create a Sustainability Elective for their course or program that meets the Sustainability-focused or Sustainability-related Academic Attributes
- Direct research-service learning activities (including leading community engagement projects and developing sustained partnerships with community organizations)
- Create or transition a current class to be an online Sustainability focused course available to Pitt students in our Sustainability Education programs (e.g. Sustainability certificate, M.S. Sustainable Engineering, Sustainability Distinction).
- Developing Sustainability classes for M.S. Sustainable Engineering

---

**Requirements**

**Eligibility:**

All University of Pittsburgh faculty are eligible to apply. Faculty are highly encouraged to discuss their ideas with the MCSI leadership team.

**Budgets:**

Awards will be announced in April and funds distributed in May/June Spring 2022. Funds can be used for salary, undergraduate and graduate student support, post-doctoral support, course release, equipment, supplies and travel.

**Proposal Cover page**

- PI's name,
- Proposal Level to which you are applying (i.e. Fellowship, Scholarship, Lectureship)
- Affiliation (e.g. School, Dept. , Center),
- Contact info: Email address, campus address and phone number.
- 100 Word Abstract

**Body of the Proposal**

The body of the proposal should not exceed **three single-spaced pages** and should employ a 12-point font size and one-inch margins.

The body of the proposal should address:

1. What are your professional goals and vision as a faculty member?
2. How does the proposed work align with the Mascaro Center's mission?
3. How will the proposed actions and directions jumpstart a new concept or tie into your work to date?
4. How will your research (if relevant for your proposal) enhance sustainability in your discipline and or across disciplines?
5. How will your proposal accelerate MCSI's mission of Research, Education and Engagement?
  - a. If applicable, How will your proposed activities enhance the student experience in university-wide sustainability programs?
  - b. If applicable, How will your proposed activities catalyze growth in the university's sustainability research portfolio?

#### Appendices

- The PI should include a CV (2 page maximum).
- Attach Letter(s) of endorsement.

*A one-page letter of endorsement from your department chair/supervisor is required.*

*If appropriate to the proposal, a letter of support from a community partner organization should also be included.*
