

**UNIVERSITY OF PITTSBURGH**  
**DEPARTMENT OF CIVIL and ENVIRONMENTAL ENGINEERING**

M. S. Final Oral or Combined Comprehensive/Final Oral Examination Committee

Student's Name: \_\_\_\_\_

The following are excerpts from the Graduate Requirements in Civil Engineering.

The M. S. Committee will consist of the student's Major Advisor (as Chairman) plus a minimum of two other members, with interest in the student's topic of presentation. At least two of the three Committee Members should be full time, part time, or emeritus CE Department faculty. A maximum of one of the three Committee members may be from outside of the full time CE Department Faculty. - All Graduate Committees should be formed and approved at least one month prior to the required Committee action. - No examination should be administered if any of the approved committee members is absent. Substitution of another member requires one week notice and the approval of the Department Chairman.

Proposed Committee for the Examination:

Chairman: \_\_\_\_\_

Members: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

In accordance with the Graduate Requirements I request that the above Committee be approved. I have personally contacted all members and they indicated their willingness to serve on the Committee.
