

**MCSI Conference Grants Program**

**Application Deadline: September 14, 2018**

**Timeline**

Proposals due	September 14, 2018
Funding Decisions	September 28, 2018
Expenditures	October 1, 2018 – June 30, 2019

In order to more broadly promote Mascaro Center research as well as provide opportunities for MCSI associated students to learn about cutting edge research and educational programs throughout the country and abroad, MCSI has allocated funds to support undergraduate and graduate student participation at conferences. MCSI funds will be used to provide up to \$1,000 for conference registration and travel expenses for students. Conferences funds must be expended by June 30, 2019. Students must be accepted to present an oral or poster presentation. Conference presentations must be consistent with work supported by the Center. Funds will be allocated based on their relevance to the goals of MCSI and the broadest impact.
