2018 Undergraduate Summer Research Calendar

Getting Started (DAY ONE / WEEK ONE)

1. By now you should have completed all paperwork for payroll. If not, YOU MUST check in with Tess TODAY.
2. All participants must complete the sexual harassment and discrimination surveys on-line by Wednesday, May 10th.
Preventing discrimination & sexual harassment: <http://www.diversity.pitt.edu/education-training/online-trainings>
If you are working in a Pitt lab, you must also complete the conflict of interest form.
<https://www.hsconnect.pitt.edu/HSC/public/sign-in.htm>

Important Program Information

1. Please be reminded that this is full time commitment (40 hours per week).
2. Please schedule weekly meetings with your project advisor.
3. All seminars and community outreach programs are MANDATORY
 - a. Should you have a reasonable excuse for not attending a scheduled meeting, please email Gena Kovalcik at gmk9@pitt.edu
 - b. Two unexcused absences could result in pay deduction and 3+ could result in removal from the program.
4. MCSI has two conference rooms available for small team meetings. Please reserve rooms through Tess Petropoulos.
5. All summer students will be provided with swipe card access to 341B Benedum Hall. This open area is to be used for individual work or quiet discussion. Please leave the room as found. Please reserve the private conferences room for other needs.
